Specialist

Nikole Lallas - High School

and Beyond Coordinator

Community

Redmond High School is located in a northeastern suburb of Seattle, Washington and is one of four comprehensive high schools in the Lake Washington School District (LWSD), encompassing suburbs of Redmond, Kirkland, and Sammamish. LWSD is proud to serve a growing and diverse community. With more than 30,500 students in 57 schools, LWSD moved from the sixth-largest school district in the state to the second-largest in a period of just five years. One of the fastest growing areas in the state, the city of Redmond is largely a middle to upper class community, well known as a center of technology and the location for a number of nationally known high-tech and biomedical companies.

Curriculum

Redmond High School is a four-year high school with an approximate total enrollment of 2,200 students. A class size limit of 32 exists for most class sections. Students have a number of courses levels from which to choose. Students can take advantage of Honors, Advanced Placement, Dual Credit (where a class has been accredited by a local college for both high school and college credit), full or part-time enrollment in Running Start (a dual enrollment program where college courses are taken at local community colleges), and the WANIC Skill Center (which offers year-long, advanced-level Career and Technical Education programs based on rigorous academic and industry standards). Students may enroll in as many AP/Honors classes as their high school schedule will accommodate. While most AP classes are offered every year, several others are typically offered every other year.

Graduation Requirements

Students must have a minimum of 24 credits, which must include the following required courses for the class of 2023:

Subject	Credits Required
English	4
Math	3
Science	3
Social Studies	3
Health	.5
P.E.	1.5
Occupational	1
Fine Arts	2
World Language	2
Electives	4

Grading

During a typical school year, one-half credit is granted for satisfactory completion of each semester course that meets three periods per week for 50 minutes per period and one period per week for 78 minutes, for 18 weeks. A passing grade is a "D." Beginning in the year 2020 to current, students who do not pass their class are assigned an "N" (No Credit).

Due to COVID-19 schools closed during the second semester of the 2019-20 school year. Students learned asynchronously and LWSD adopted an A or Incomplete grading policy. This is indicated on the transcript with an asterisk (*). During the 2020-21 school year, classes were held virtually. During virtual learning our current grading system was used.

Grade Point Average is computed using semester grades for all high school level classes. N (No credit), S (Satisfactory), and P (Pass) marks are excluded from calculation of GPA. W (Withdraw) indicates the student did not complete the class.

Advanced Placement Classes

- Art History
- Biology
- Calculus AB
- Calculus BC
- Chemistry
- Computer Science
- Microeconomics
- Macroeconomics
- English Lit/Comp
- English Lang/Comp
- Environmental Science
- French
- Gov'n't & Politics US
- Japanese
- Music Theory
- Physics C
- Psychology
- Spanish Lang.
- Statistics
- Studio Art
- US History
- World History

Honors Classes

- Algebra 2
- Art 1
- Drawing & Painting
- Biology
- Drawing and Painting 1
- English 9
- English 10
- English 12
- Pre-Calculus
- World History 1

Scholastic Achievement

2021-2022

- The class of 2022 had 21 National Merit Finalists, 2 National Merit Semifinalists and 29 National Merit Commended Students.
- In 2022, RHS Students took 1481 AP exams in 28 subject areas with 88% earning a score of 3 or higher. The average student score on an AP exam was 4.0. In addition, RHS had 92 AP Scholars, 54 AP Scholars with Honors, and 168 AP Scholars with Distinction.
- Of the 288 Students in the class of 2022 who took the SAT, 85% met benchmark in both ERW and Math. The average mean total score was 1303.
- 86% of 2022 graduates indicated they would be continuing their education after graduation.
 - 4 Year Universities/Colleges - 80%
 - 2 Year Colleges - 6%

Class Size & Rank

The Class of 2023 includes 565 students (as of 9/2022). **Redmond High School does not run rank.**

Grade Points for GPA Calculation

GPA is unweighted

A	4.0	C+	2.3	D+	1.3
B+	3.3	C	2.0	D	1.0
B	3.0	C-	1.7	N	-
B-	2.7				

College Visitations

We invite representatives of colleges and universities to visit our school and meet with interested students. College & University Admission Representatives can email RWU@lwsd.org to schedule a visit.

REDMOND HIGH SCHOOL

2022-2023 Profile

Initial College Enrollment

Graduates of RHS have been accepted into many leading universities across the nation. Most recently, our students have been admitted to:

Arizona State University	Portland State University	University of Virginia
Auburn University	Princeton University	University of Washington
Bellevue College	Purdue University Rice University	US Air Force Academy
Bellingham Technical College	Rochester Institute of Technology	US Coast Guard Academy
Biola University	Roosevelt University	Utah State University
Boston College	San Diego State University	Vanderbilt University
Brigham Young University	Santa Clara University	Villanova University
California Polytechnic State University	Seattle Pacific University	Western Michigan University
Cascadia College	Seattle University	Western Washington University
Central Washington University	Skagit Valley College	Washington State University
Chapman University	Southern Methodist University	Wellesley College
College of William & Mary	Southern Oregon University	Wesleyan University
Colorado School of Mines	Stanford University	Whitman College
Colorado State University	Stevens Institute of Technology	
Dartmouth College	Texas A&M University	
DigiPen Institute of Technology	Tulane University	
Duke University	University of Arizona	
Eastern Washington University	University of California, Berkeley	
Embry-Riddle Aeronautical University	University of California, Davis	
Emory University	University of California, Los Angeles	
Harvard University	University of California, Santa Barbara	
Haverford College	University of Colorado Boulder	
George Washington University	University of Hawaii	
Georgia Institute of Technology	University of Kansas	
Gonzaga University	University of Michigan	
Grand Canyon University	University of Minnesota	
Juilliard School	University of North Dakota	
Lafayette College	University of Notre Dame	
Lake Washington Institute of Technology	University of Oregon	
Louisiana State University	University of Portland	
Massachusetts Institute of Technology	University of Redlands	
Montana State University	University of San Francisco	
New York University	University of Southern California	
Northwestern University	University of Tennessee	
Northeastern University	University of Texas	
Pepperdine University	University of Toledo	
Pitzer College	University of Toronto	
Pomona College	University of Utah
