

Hello golfers and families,

The Redmond High School boys golf team tryouts are fast approaching, so I hope everyone is mentally and physically prepared to be at their best. The tryout schedule, expectations, and groupings for the tryouts are attached. Please let me know if you have any questions.

Coach Schnierer and I are looking forward to seeing everyone at Willows Run on Monday, August 22nd. The first tee time is at 11:00 am, but I recommend arriving to the course at 10:00 am to warm up. The pre-tryout meeting will be held at 10:45 am at the putting green to review the groupings and expectations. Please read the expectations carefully before the tryouts. Also, please be sure to have your physical and parent signature form cleared in Final Forms to be eligible to participate in the tryouts. Unfortunately, there will be no exceptions to the rule.

A few things:

1. Golfers may use push carts, but no riding carts.
2. Range finders (no slope or wind) are permitted.
3. No use of cell phones on golf course
4. No caddies
5. Bring water and snacks
6. Golfers must have their own clubs and appropriate shoes and attire. Willows Run is a public course, so jeans are okay, but it is recommended to have a collared shirt and golf pants or shorts
7. Golfers must arrange their own transportation to and from the golf course
8. Golfers will be responsible for the green fees (please see attachment for information regarding the green fee prices)
9. We will be playing from the white tees

Thank you and looking forward to a great tryout!

Coach Wiebe
